

Patel Conservatory Theater Production Team - Costume Designer

**** This is an Independent Contractor position ****

Essential Functions:

- Create costume designs from rendering to stage for a Patel Conservatory Theater production with students of varying ages.
- Work with the in-house Costume Shop Supervisor to source, pull, tailor, and purchase for the production.
- Collaborate with the Director to bring the vision and world of the play to life.
- Collaborate with the Technical Director on deliverables in line with budget and space requirements.

Minimum Qualifications:

- Thorough understanding of creating theatrical costume designs in different types of spaces and for varying age groups.
- Strong sewing/tailoring abilities.
- Extensive knowledge of musical and non-musical theater repertoire.
- Ability to communicate remotely and through in-person meetings.
- Collaborative and creative mindset.

Education and Work Experience:

- 3-5 years' experience as a theatrical costume designer, both professionally and educationally
- Bachelors Degree in Production, Theater, or related field preferred.
